

A NAD SANSTHAN UJJAIN EVENT

DARSHANAM SITAR WORKSHOP

Till the moment when a fatal accident on 14th August 2011 claimed this noble, vibrant soul, Dr. Chandrakant Sardeshmukh was moved by thought of bringing music to children, especially in India. He made Indian Classical Music work in several ways taking it to many far-east countries for the first time. Apart from traditional presentations, he innovated with Japanese artistes, introducing them to galaxy of Indian Raga-s; taught Sitar, traditionally, to young and mature learners and healed many with his music. A child prodigy himself, taught by Pt. Ravishankar & Vidushi Smt. Annapurna Devi, he realized the importance of recognizing and nurturing talent at an early age.
